Climate Neutral

Gift card

1 climate neutral month

Calculation based on an average climate footprint of 11 ton CO₂eq per person and year

Hi Mom,
Doesn't it feel great to help the climate?
Enjoy this gift! /Lisa

Example

GoClimateNeutral.org supports climate projects and gives inspiration and advice on how to reduce your climate footprint. The projects you support are UN-certified climate projects (CDM) that are also Gold Standard-certified, supported by all the members of the UN and 80 different environmental NGOs - among them WWF. Together, we contribute to stopping climate change and save the world.

Do you want to continue living a climate neutral life after the gift card has expired?
Come to GoClimateNeutral.org and register!
